Total Score						111					108					125						127					125						123						132															
% Compliance to Requirements						79%					77%					89%						91%					89%						88%						94%															
Recommendation Comments	Only the Engineer's Representative is registered. Civil Engineer Culverts, Earthworks & Layerworks only registered In-Training.						Less-responsive due to non Namibian						Good Proposal						Only the Engineer's Representative is registered. Civil Engineer Culverts, Earthworks & Layerworks only registered In-Training.						Only the Engineer's Representative is registered. Civil Engineer Culverts, Earthworks & Layerworks only registered In-Training.						Only the Engineer's Representative is registered. Civil Engineer Culverts, Earthworks & Layerworks only registered In-Training.						Good Proposal																	

In respect of the above,

Tweya Consulting Engineering, P O Box 2210, Windhoek, were awarded the contract for the sub consultancy for **TIIP PHASE II: SECTION 1: UPGRADING OF RAILWAY LINE BETWEEN KRANZBERG AND OTJIWARONGO – EARTHWORKS EMBANKMENT CONSTRUCTION CONTRACT ES1 (KRANZBERG TO KM 50)**.

The reason for the inclusion of Dream Engineering, 85 Frans Indongo Str, Windhoek, in the award aligns with the future requirements to execute similar works in multiple lots.

Your participation in the above process is highly appreciated.

 Eugene Pearson
 Chairperson: Evaluation Committee
